

Invest

in your employees' mental health, job satisfaction, well-being, motivation and positive energy because nothing comes by itself

IVIGGO offers a service never seen before

IVIGGO.com gives managers and employees access to ask coaches and experts questions regarding their own challenges and problems, both private and work related

- Unlimited and entirely anonymous

And the coaches and experts will answer your question with videos

Easy, simple and straightforward

The world's first "Online Fitness Center"

For mental health and personal development

For companies, their managers and employees

All employees have challenges and worries in their work life.

Where do they search for motivation, joy, and willingness for new initiatives?

What is the cost for your company to have worn out or dissatisfied employees?

What is best – worn out, dissatisfied, negative and stressed employees or people taking responsibility for their own joy, well-being and a positive work culture?

What does a company membership cost at IVIGGO?

6 Euro per month for a minimum of 10 people and for a minimum of 1 year at a time

Is 6 Euro per month per employee one big or small and fair investment so everyone has the opportunity to get in the driver's seat with an always renewed positive mindset?

That's the question you can ask yourself

Put your employees at the center

Try IVIGGO.com as a solution for your workplace, so your workplace will become the place everyone talks about when it comes to security, togetherness and genuine job satisfaction

Mental health and personal development will increase your employees' energy, efficiency, and well-being. Coaching and good advice can be expensive and time consuming – but it now stops with IVIGGO

Coaching and good advice can be expensive and time consuming – but it now stops with IVIGGO

IVIGGO's video coach and expert panel consists of recognized coaches, therapists, psychologists, mental trainers, mentors – all who live to help people through their inspiration and knowledge

Write to them and they will respond to you with videos

Or search in the ever-growing video library on IVIGGO as all the videos are uploaded and available for everyone and can be saved as favorites

Remember – in the end, it's about being preventing bad mental habits

Imagine – No more unnecessary stress, grumbling and sick leave

A membership will give employees access to inspiration, knowledge and insight that can help build mental health motivation and prevent burnout

Imagine a strong culture where the positive mindset is the first choice for everyone, even if there are hardships and challenges in their everyday life.

The question is – where to pick up your answers and possible solutions, right here and now, on those everyday challenges that arise?

Challenges and problems that cannot wait until next week or next month
