As a member of iviggo, you can become an Affiliate.

You receive a 30% commission every time you generate sales.

And as long as the person is a member you will receive commission.

There is no minimum required to maintain valid iviggo Affiliate status

Becoming a part of our Affiliate program is easy and simple.

It's free to be an affiliate as long as you are a member of iviggo.com

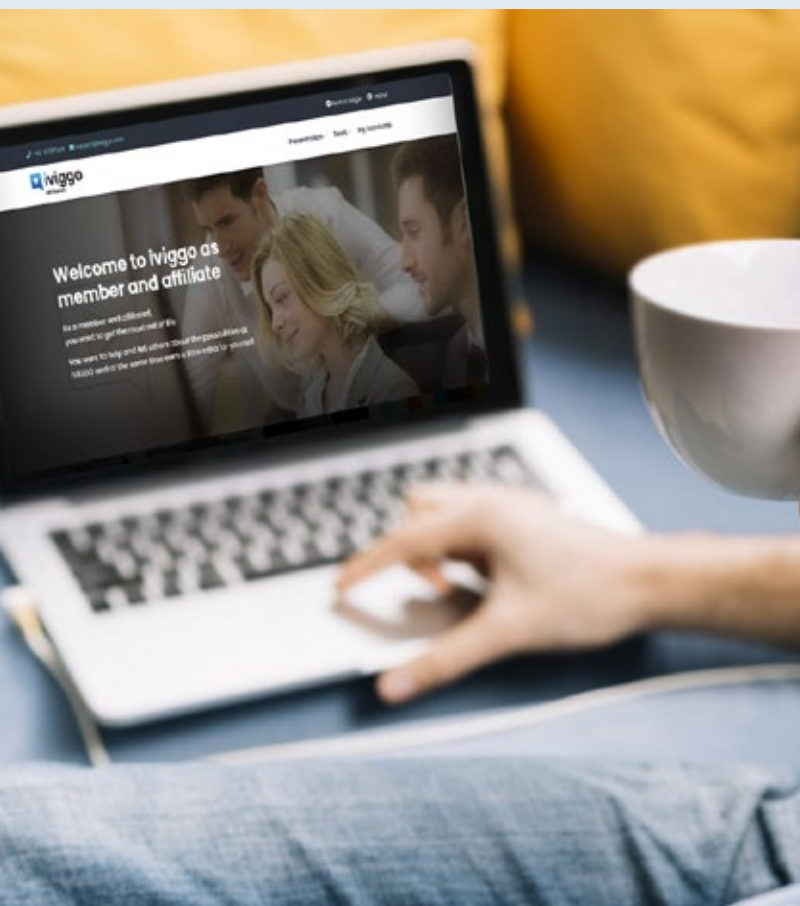

when you are a member – all you have to say is YES to be an affiliate partner.

You have the whole world as a sales platform – no restrictions

As an Affiliate partner, you create your very own invitation code, which can be integrated into your postings to your social media network – and you're up and running.

Your network gets a 20% discount on iviggo when using your invitation code

You earn commission by referring customers from around the world to IVIGGO's platform.

How are commissions paid?

Your commissions are paid out at the same time you sign another member.

You will have your own affiliate office “My Account” which allows you to access and track transactions in real time, at anytime, anywhere.

We look forward to a good partnership.
